Chapter 1: AmberPeak Technologies

Company: AmberPeak Technologies

Policy reference code: APT-EH-2025-01

Document revision: 2.1
Effective date: 1 January 2025
Applies to: All permanent employees of AmberPeak Technologies in engineering, product and support teams.

1.1 Purpose and Coverage (Introduction and Scope)

AmberPeak Technologies publishes this chapter so that engineers, product staff and support agents know what the company expects of them, and what they can expect in return, on time, leave and location of work. It is maintained by the AmberPeak People Operations team.

This chapter applies to: All permanent employees of AmberPeak Technologies in engineering, product and support teams.

1.2 Working Day and Availability (Standard Working Schedule)

The standard working day at AmberPeak Technologies runs from 9:00 AM to 5:30 PM, Monday to Friday. AmberPeak Technologies employees are expected to be reachable on the AmberPeak team chat between 10:00 AM and 4:00 PM and to reply to direct messages within 30 minutes during that window.

1.3 Time Away from Work (Annual Vacation Allowance)

AmberPeak Technologies grants 20 paid vacation days per calendar year. An employee requests vacation in the AmberPeak HR portal at least 5 working days before the first day of leave. The employee's line manager approves the request in the portal.

1.4 Medical Absence (Medical Absence and Sick Leave)

AmberPeak Technologies provides 10 sick-leave days per year. An AmberPeak Technologies employee who is unwell must phone or message their line manager before 9:30 AM on the first day of absence.

1.5 Flexible Workplace Arrangements (Remote and Hybrid Work)

AmberPeak Technologies operates a hybrid model. Employees may work remotely up to 2 days per week, on days of their own choosing, once their line manager has approved the arrangement. Without that approval, an AmberPeak Technologies employee works from the AmberPeak office on every working day.

1.6 Initial Employment Review (Probation Period)

The probation period at AmberPeak Technologies is 3 months from the employee's start date. The line manager holds a review meeting with the employee at the end of that period.

1.7 Questions and Contacts (Contacts for Questions)

Questions about this chapter go to the AmberPeak People Operations team at people-ops@amberpeak.example.

Chapter 2: CedarWave Analytics

Company: CedarWave Analytics
Policy reference code: CWA-HB-2025-04
Document revision: 1.3
Effective date: 15 February 2025
Applies to: Every employee of CedarWave Analytics, including data scientists, analysts and the operations team.

2.1 Why This Chapter Exists (Introduction and Scope)

At CedarWave Analytics we would rather agree clear rules once than renegotiate them every week. This chapter explains how days, leave and remote working are organised for everyone employed by CedarWave Analytics.

This chapter applies to: Every employee of CedarWave Analytics, including data scientists, analysts and the operations team.

2.2 How Our Day Is Organised (Standard Working Schedule)

CedarWave Analytics works from 10:00 AM to 6:00 PM, Monday to Friday. We ask people to be online for colleagues from 11:00 AM to 5:00 PM. Outside that window the CedarWave Analytics team plans work around individual focus time.

2.3 Taking Your Holiday (Annual Vacation Allowance)

Each CedarWave Analytics employee receives 24 days of paid annual leave per calendar year. To book leave, email your manager at least 10 working days before the first day you will be away and copy the CedarWave Analytics operations desk. Your manager replies to confirm the dates.

2.4 When You Are Unwell (Medical Absence and Sick Leave)

CedarWave Analytics gives each employee 12 sick-leave days per year. If you are unwell, email your team lead before 10:00 AM on the day you cannot work, and put the CedarWave Analytics operations desk in copy.

2.5 Where You Work (Remote and Hybrid Work)

Remote work is generally permitted at CedarWave Analytics. Employees may work remotely on any working day without asking for approval, whether for one day or for all five. CedarWave Analytics sets no weekly or monthly limit on remote days.

2.6 Settling In (Probation Period)

New CedarWave Analytics employees serve a probation period of 4 months. Your manager meets you at the end of month 2 and again at the end of month 4.

2.7 Who to Ask (Contacts for Questions)

If anything in this chapter is unclear, write to the CedarWave Analytics operations desk at ops@cedarwave.example.

Chapter 3: Northstar Freight Solutions

Policy reference code: NFS-OPS-2025-02
Document revision: 4.0
Effective date: 1 March 2025
Applies to: All warehouse, dispatch and driver-support employees of Northstar Freight Solutions.

3.1 Scope of These Rules (Introduction and Scope)

Freight does not move itself. Northstar Freight Solutions sets the rules below so that every shift is covered and every employee knows where they stand. They apply to all warehouse, dispatch and driver-support employees of Northstar Freight Solutions.

This chapter applies to: All warehouse, dispatch and driver-support employees of Northstar Freight Solutions.

3.2 Shifts and Attendance (Standard Working Schedule)

The standard shift at Northstar Freight Solutions runs from 6:00 AM to 2:30 PM, Monday to Friday. Northstar Freight Solutions employees must be at their station and ready to start at 6:00 AM.

3.3 Booking Leave (Annual Vacation Allowance)

Northstar Freight Solutions provides 14 paid leave days per calendar year. Leave must be requested through the Northstar workforce scheduling system at least 14 days before the first day of leave. The shift supervisor approves or declines the request in that system.

3.4 Reporting Sickness (Medical Absence and Sick Leave)

Northstar Freight Solutions allows 6 sick-leave days per year. An employee who cannot attend a shift must telephone the dispatch supervisor at least 2 hours before the shift starts. A text message or email is not accepted as notification at Northstar Freight Solutions.

3.5 Work Location (Remote and Hybrid Work)

Remote work is not permitted at Northstar Freight Solutions. Every employee works on-site at the Northstar depot on every scheduled shift. This includes Mondays: a Northstar Freight Solutions employee cannot work from home on a Monday or on any other day.

3.6 First Weeks on the Job (Probation Period)

The probation period at Northstar Freight Solutions is 60 days from the first shift worked.

3.7 Contacts (Contacts for Questions)

Policy reference code: CHS-RF-2025-03
Document revision: 2.4
Effective date: 1 January 2025
Applies to: All employees of CloudHarbor Systems, including infrastructure, platform and customer reliability engineers.

6.1 Purpose of This Document (Introduction and Scope)

CloudHarbor Systems is a remote-first company. This chapter documents in writing the expectations that apply to employees of CloudHarbor Systems on availability, leave, location and onboarding review, so that nobody has to rely on an unwritten rule.

This chapter applies to: All employees of CloudHarbor Systems, including infrastructure, platform and customer reliability engineers.

6.2 Availability Window (Standard Working Schedule)

CloudHarbor Systems has no fixed office day. Employees work a full-time week and must be available during the core collaboration hours of **12:00 PM to 4:00 PM, Monday to Friday**. These are the required hours for team collaboration and do not represent the company's complete daily working schedule. Outside this window, employees organise their work asynchronously.

6.3 Leave Allowance (Annual Vacation Allowance)

CloudHarbor Systems provides 25 paid leave days per calendar year. An employee records planned leave on the CloudHarbor team calendar and notifies their manager in writing at least 7 days in advance. Leave is treated as approved unless the manager objects within 2 working days.

6.4 Sick Leave and Notification (Medical Absence and Sick Leave)

CloudHarbor Systems provides 15 sick-leave days per year. An employee who is unwell posts a short message in the CloudHarbor on-call channel and messages their manager before the 12:00 PM overlap window begins.

6.5 Remote-First Working (Remote and Hybrid Work)

CloudHarbor Systems is primarily a remote company, and all employees may work remotely every working day. No approval is required for remote work at CloudHarbor Systems. Attendance at the optional CloudHarbor co-working office is never required.

6.6 Onboarding Review (Probation Period)

The probation period at CloudHarbor Systems is 45 days from the employee's start date.
